ORDER

THIS MATTER is before the Court on receipt of a letter from the Defendant, construed by the Court as a *pro se* request for the early termination of his supervised release.

The Defendant advises that his probation officer has no objections to the early termination provided he pays the balance of restitution owed in full. However, the Court is of the opinion the Government should file formal response to the Defendant's motion after consulting with the U.S. Probation Officer.

IT IS, THEREFORE, ORDERED that the Government file response to the Defendant's motion within 20 days from entry of this Order.
